three unique levels

Easily create and share  
content with students  
and teachers

Addressing the needs  
of today's educators  
and students

# Differentiated Learning

Three great alternate pathways to learning

HIGH

MIDDLE

PRIMARY

The image displays three overlapping screenshots of the Britannica School website, illustrating differentiated learning pathways. The top screenshot shows the 'Great Dividing Range' article for the 'Middle' level, featuring a 'Reading Level' indicator of 1, 2, and 3. The middle screenshot shows the 'Antarctica' article for the 'High' level, with a 'Reading Level' indicator of 1, 2, and 3. The bottom screenshot shows the 'James Cook' article for the 'Primary' level, with a 'Reading Level' indicator of 1, 2, and 3. A blue callout box in the foreground states: 'Easily select the right level of comprehension from within the article!' with a 'Reading Level' indicator showing 1, 2, and 3.

## The most comprehensive array of safe, searchable content across all subject areas for PreK-12

Britannica® School offers alternate pathways to learning, providing classrooms with interactive, visually engaging resources that support collaborative learning styles. Activities, games and research tools provide students and teachers with resources necessary for 21st century learning.

Designed to encourage discovery, critical thinking, vocabulary skills and the sharing of information & ideas aided by individualised content and support materials. Features eBooks, activities, articles, journals & magazines and games.

### Differentiated Learning
